Health Advisory: The Washoe County District Health Department advises that eating raw, undercooked animal foods, or animal foods that are not otherwise processed to eliminate pathogens, pose a potential health risk to everyone. Especially the elderly, young children under the age of 4 years, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking or processing of foods to eliminate pathogens reduces risk of illness.

Please note: We reserve the right to charge extra if excess rice and sushi are left over. We appreciate your understanding. Thank you!
