## What is Korean Barbecue?

### 한국 바베큐란 무엇입니까?

Korean Barbecue is a unique experience where cooking and eating take center stage. It's about a sense of community and eating together. A casual, flavorful way to gather with family and friends around a grill.

At Korean barbecue restaurants, everyone gathers around a grill in the middle of the table. The server brings plates of raw meat, either marinated or un-marinated, with various side dishes—called banchan. Then everyone can begin cooking and eating together.

This experience is all about getting your friends and family around a table together. Everyone gets to be part of the fun!
